How have you seen God at work this week?

What aspect of today's worship service was most meaningful for you? Why or how?

God blesses humankind, gives work to do, and provides nourishment. How do you experience these today?

In the seven days of creation, God modeled sabbath rest for us. What does sabbath rest look like in your life?

**Please discuss the following with your family this week and write a two or three sentence summary of your discussion.**

- This week, how can you live into God's call to "have dominion over" (i.e. manage with care) the rest of God's creation?
