Who/what is in your prayers this week?

What stood out to you in the music or liturgy today?

What was the main point of the sermon?

God promises to “be with (Moses’) mouth.” When/how has God been with your mouth?

**Please discuss the following with your family this week and write a two or three sentence summary of your discussion.**

- Both God and Moses look and take notice – God notices the people’s suffering, and Moses notices the burning bush. Where is God calling us to pay attention, to take the time to notice what is going on around us?
