

Worship Notes – Sunday, October 10, 2021 – God Provides Manna

Name: _____

Confirmation Year: 1st 2nd

How have you seen God at work as a provider this week?

What was one main point you heard in the sermon?

What word or phrase sticks with you from the liturgy, music, or prayers?

How do you think Moses felt when the people complained? How do you think you would feel if you were in his position?

Please discuss the following with your family this week and write a two or three sentence summary of your discussion.

- God commanded the people to gather as much manna as each person needs. Some gathered more, and some gathered less, but everyone had enough. Why is this an important story for us today?
